Dear Resident

Notification of A11 works – Spooner Row to Thickthorn

I am writing to inform you that we plan to undertake necessary work on the A11 to carry out ground investigation, carriageway, pavement, drainage and topological surveys.

The surveys are planned to start on **Monday 10 May** and are programmed to take approximately **2 weeks**. Our working times will be between the hours of **8pm** and **6am** each night. Should there be a requirement to significantly re-programme the work, a further notification will be issued.

Traffic restrictions

To minimise the impact on local communities and motorists, we will only divert traffic from the A11 onto local roads where absolutely necessary. Where this is required, we have liaised with Norfolk County Council to agree the most reasonable route.

The following closures will be in place.

- **Closure** of the A11 **northbound** between Spooner Row and Thickthorn Interchange and a **southbound lane 2** closure from **Monday 10 May** up to and including **Sunday 16 May** between **8pm** and **6am each night (Diagram A)**
- **Closure** of the A11 **southbound** entry slip at Spooner Row and A11 **southbound lane 1** on **Friday 14 May** between **8pm** and **6am (Diagram B)**
- **Closure** of the A11 **southbound** between Thickthorn Interchange and Spooner Row from **Monday 17 May** up to and including **Friday 21 May** between **8pm** and **6am each night** and from **Sunday 23 May** up to and including **Monday 24 May** between **8pm** and **6am each night (Diagram C)**
- **Closure** of the A11 **northbound** exit slip onto B1135 Wymondham on **Monday 17 May** between **8pm** and **6am (Diagram D)**

Please note these works are subject to weather conditions and dates may change, notices onsite will provide the most up to date information.

We have included diversion maps for these closures at the end of this letter.

Access and disruption

Access for emergency vehicles will be allowed at all times.

Due to the nature of the works being carried out, noise and light disturbance is unavoidable. We will however attempt to keep this to a minimum. Please accept our apologies in advance of any inconvenience that is caused whilst work is in progress.

Safety

Your safety is important to us, as is the safety of our operatives working on site. We would be grateful if you could observe signs and restrictions in place as any unauthorised access to the site creates a serious risk to safety of everyone involved.

Our roads remain open and we will continue to maintain the network, ensuring that life-saving medicine, equipment, supplies and healthcare staff can travel to where they are needed most.

All our sites have strict safeguarding measures to prevent the spread of COVID19 and none of our sites are open to the public.

How you can contact us

If you have any queries about our work, or want to know more, please contact us on 0300 123 5000 or via email at info@highwaysengland.co.uk

Thank you for your patience and cooperation during our work.

Yours faithfully
